QUARTER BY QUARTER FUNDRAISER BEGINS TUESDAY

NOVEMBER 16-23

It's time to bring back an important tradition at NPE... our Quarter by Quarter Clemson/Carolina fundraiser. Funds will be raised to support Relay for Life. Beginning Tuesday, NPE students and staff can place bills and coins in the Clemson or Carolina jars

located in the main commons area. Each day we will announce the team that is in the lead. Thank you for supporting Relay for Life. We can't wait to see which team wins! Let's go Tigers! Let's go Gamecocks!

CHANGES ARE COMING SOON!

We are thrilled with the news that Lexington County has been identified as “Moderate Community Spread” for the past two weeks. We will begin implementation of some new procedures on Monday, November 15th and will continue gradual implementation over the next several weeks. Here are some important changes you can expect:

- **Monday, November 15th** - We will return to eating in the cafeteria. Students will be seated with their homeroom class and a seating chart will be maintained. We will spend time tomorrow reviewing lunch procedures and expectations.
- **Monday, November 15th** - We will begin accepting applications for volunteers to be cleared.
- **Monday, November 15th** - We will begin to implement changes in our Learning Commons working towards open check-out of books in the coming weeks, rather than a two-week rotation (*Note: This is a slight change from the original information sent home).
- **Monday, November 29th** - Guests for lunch will be allowed for Grades K,2,4 - We must have time to get children used to eating in the Cafeteria (November 15-23). Therefore we will allow parents to begin scheduling a time to eat with their child beginning Monday, November 29th.
 - We will alternate days beginning Monday, November 29th with K, 2, and 4 then Tuesday, November 30th grades 1,3,5.
 - Sign-up (reservation) information will be sent next week.
 - 8 parents per day, per grade will be the maximum as we must distance tables on the stage 6 feet apart (we have 8 tables available).
 - Parents may eat with their child only.
 - No outside food may be brought in; parents are welcome to order from our Cafeteria line
- **Monday, November 29th** - Recess modifications will be implemented and children will have 2 recess periods per day with another class.

While we are excited about the upcoming changes, safety of all students is our #1 priority. We are still encouraging distancing, proper handwashing and other strategies we have put in place for some time now. Please be on the lookout for more information soon.

Inspire, motivate, listen, encourage...

Attention Business Partners and NPE Families...

This year, NPE will have a Winter Reading Challenge. Over Winter Break, students will be challenged to Read! Read! Read! Our school will be sending home books with each student as a gift for their home libraries.

We are looking for monetary donations from Business Partners and Families to purchase new books for our students. If you are willing to make a donation, please reach out to Becca Matthews (rmatthews@lexington1.net) or call the front office (803-821-3300).

No donation is too big or too small! We will showcase our Business Partners on a bookmark in each student's take home bag. We will be accepting donations through **November 19th**.
