Empower each child to design the future.

The vision of Carolina Springs Middle School is to pull together to create an exemplary learning experience for adolescents through high-leverage pedagogy, honoring growth and effort, and developing healthy relationships.

Our mission is to help prepare all students to be productive citizens by through character education, rigorous behavior and academic expectations, and social/emotional skills development.

All students, regardless of circumstances, advance on time, prepared to graduate and ready to enter college, the military or industry with certification.

Carolina Springs Middle schools ensures that all students, regardless of circumstances, advance on time, prepared to graduate and ready to enter college, the military or industry with certification through a rigorous curriculum that develops writing, inquiry, collaboration, organization, and writing skills.

Teaching and learning develop power skills in all students.

The Counseling & Advisement department at Carolina Springs Middle School helps teachers infuse power skills development into their daily lessons and learning targets.

Our schools are service-oriented centers of learning, committed to family and community partnerships.

Carolina Springs Middle School creates leadership opportunities and encourages students to use their agency to make a difference in the local community.

Every adult will be equipped with the skills and resources necessary to advocate for and ensure the success of all students.

Carolina Springs Middle School is a professional learning community that fosters collegiality and professional growth so that all adults are equipped with the skills and resources necessary to advocate for and ensure the success of all students.
